

Customer Certification of Export Compliance

Customer understands that the commodities, software and or technology (“Items”) it purchases or receives from Arrow Electronics Inc. and its subsidiaries (hereinafter, “Arrow”) may be subject to export, re-export, or other restrictions. Customer agrees to comply with all applicable laws and regulations relating to the export and re-export of such Items obtained by Customer. In particular:

1. Customer certifies that to its knowledge, the Items will not be used directly or indirectly, sold, re-exported or incorporated into products for the benefit of persons or entities named on any United States denied or restricted party list or any other applicable government denied or restricted party list. Such lists include the Entity List at Part 744 of the Export Administration Regulations and the U.S. Office of Foreign Assets Control Specially Designated National list.
2. Customer certifies that to its knowledge, except as authorized under applicable laws and regulations, the Items will not be exported or re-exported directly or indirectly, diverted or transshipped to or via any country in violation of any United Nations, United States, European Union or any other applicable embargo.
3. Customer understands that U.S. origin Items, and foreign manufactured products that incorporate U.S. origin content are subject to the U.S. Export Administration Regulations. In the event of re-export, Customer will obtain all required permissions (i.e., export licenses, permits, etc.) from the U.S. government and any other applicable government.
4. Customer certifies that to its knowledge, except as authorized under applicable laws and regulations, the Items will not be used, sold, re-exported or incorporated into products used directly or indirectly in the design, development, production, stockpiling, or use of chemical or biological weapons, nuclear programs, missiles, and maritime nuclear propulsion projects.
5. Customer certifies that to its knowledge, except as authorized under applicable laws and regulations, the Items will not be used, sold, re-exported or incorporated into products for use by military, police or intelligence entities, for any space applications, or for use in foreign vessels or aircraft.
6. If purchasing ITAR controlled Items, Customer understands and agrees to comply with 22 CFR 122, U.S. International Traffic in Arms Regulation (“ITAR”).

Customer understands that any re-export of any ITAR controlled Items, or any re-export of an end-item that incorporates any ITAR controlled component, requires authorization from the United States Department of State.

7. Customer certifies that it (please select one):

is an embassy, agency or subdivision of, or otherwise affiliated with a non-U.S. government; or

is not an embassy, agency or subdivision of, or otherwise affiliated with a non-U.S. government.
